

Mara

The experts choice for ornamental seams

In counts 30 | 50 | 70

The Mara specialist threads are used for visible seams, such as round-eye buttonholes, ornamental seams and other applications. They undergo special surface treatment which gives them a silk like lustre. They are totally free of knots which gives a uniform seam appearance.

Gutermann

Mara 30 | 50 | 70

100 % Long staple spun polyester with special surface finishing

	Mara 30	Mara 50	Mara 70
Applications	Special sewing thread for visible seams. Round-eye buttonholes that look hand sewn. As a gimp, for rustic ornamental seams, leather products, shoes, upholstery.		
Advantages	Special surface finishing gives a silk-like appearance. Totally free of knots, hence no thread breakages. Even seam appearance with a round thread diameter is achieved by a three-ply yarn. The long staple spinning technique gives a very high degree of softness.
