## Technical Specifications

|              |               |
|--------------|---------------|
| Model        | GOURMET PLUS  |
| Type         | ZG10A         |
| Voltage      | 230 V ~ 50 Hz |
| Power Rating | 1100W         |

## Circuit Diagram

| Description |                    |
|-------------|--------------------|
| D1-D4       | Diode LEDs         |
| R1-R2       | Pilot resistances  |
| RC          | Heating resistance |
| T           | Thermostat         |
| F1          | Fuse               |
